

SOUTHERN CALIFORNIA EDISON COMPANY NOTICE OF FILING OF APPLICATION FOR INCREASE IN ELECTRIC REVENUES SCE'S CHANGE A LIGHT, CHANGE THE WORLD, CFL PROGRAM Application 07-05-010

On May 10, 2007, Southern California Edison Company ("SCE") filed an application with the California Public Utilities Commission ("CPUC") asking for an increase in SCE's electric revenues. The application, designated as A.07-05-010 by the CPUC, requests that the CPUC authorize an increase of \$22 million in electric revenues. If approved by the CPUC, the electric revenue requirement will increase electric rates by approximately 0.19% in 2008.

In the application, SCE requests CPUC approval of SCE's proposed program plans and budgets for SCE's "Change A Light, Change the World," Compact Fluorescent Lamp (CFL) Program, which will allow SCE to deliver energy efficient CFLs to targeted low income neighborhoods thereby producing energy savings to SCE's customers, reducing greenhouse gas emissions and expanding awareness of "green" technologies in low income communities throughout SCE's service territory. Specifically, SCE plans to reach approximately 1 million homes in low income neighborhoods with a household-to-household approach with an offer to provide up to 6 CFLs per home during the period of July 1, 2007 through December 31, 2008. In order to fully implement this program in 2007 and 2008, SCE is requesting an increase in its electric revenues of \$22 million, which compared to revenues at present rates, is an increase of approximately 0.19%. The following table shows an estimate of proposed revenue and rate changes by customer group:

Customer Group Revenue Impact

Customer Group	Revenue Change (\$ Million)	% Change
Domestic	\$8.186	0.18%
Small & Medium Commercial	8.141	0.19%
Industrial	4.901	0.21%
Agricultural & Pumping	0.568	0.17%
Street Lights	0.204	0.17%
TOTAL	\$22.000	0.19%

ACTION THE CPUC MAY TAKE ON SCE'S APPLICATION

Before acting on SCE's application, the CPUC may hold evidentiary hearings. At the hearings, SCE, the CPUC's independent Division of Ratepayer Advocates ("DRA") and other interested parties may present testimony. Parties may offer proposals that differ from those presented in the application.

After considering all evidence presented, the CPUC will issue a decision on the application. The actual plan adopted by the CPUC may differ from what is requested by SCE in its application.

If you would like to send comments or concerns about the application to the CPUC, or if you would like to participate in the hearings, if any hearings are held, please contact the CPUC's Public Advisor at the address shown below. The Public Advisor will circulate your comments to the Commissioners and other CPUC staff working on this matter.
