

Stay **cool** and
save thousands
each **year** with a
well-maintained
A/C system.

SOUTHERN CALIFORNIA
EDISON[®]

An EDISON INTERNATIONAL[®] Company

Improve reliability and your bottom line.

Did you know that an inefficient or poorly maintained A/C system could fail without notice, limit the life of the equipment, and increase your energy use costs by as much as 40%?

PROTECT YOUR INVESTMENT AND SAVE MONEY!

Services that improve performance, extend system life, and lower your energy costs!

- **Preventative maintenance services**
 - Evaporator and condenser coil cleaning
 - Refrigerant charge adjustment
- **Plan for system retrofits, retirement and replacement in your operating budgeting**
 - A/C Quality trained contractors will perform a system assessment to determine optimal timing of equipment replacement
 - Ask your contractor how much you can save

Optimize your
A/C system today!
