

# REMINDERS

## **A Power Plan for Your Budget**

Wouldn't it be nice to know the amount of your bill before it hits your mailbox? Now you can. SCE's Level Payment Plan lets you spread your electricity cost into equal monthly payments.

The plan is quick and easy. SCE calculates your average power usage over the previous 12 months – based on current rates – and that amount becomes your new monthly bill. If your electricity usage increases during the period, your year-end statement will show a balance due. But if you use less power, the savings will be credited to your next bill.

Your account is periodically reviewed and your monthly payment may be adjusted during the year depending on your power usage. Eligibility and restrictions may apply.

Enroll in the Level Payment Plan today by calling (800) 434-2365 or visit [www.sce.com/levelpay](http://www.sce.com/levelpay).

## **SCE's Friendly Reminder**

Do you know someone – a parent, relative, or friend – who has trouble remembering to pay bills? You can help with SCE's Friendly Reminder Notification program. SCE customers can designate and authorize a third party individual or agency to receive payment alerts on their behalf.

The third party is not responsible for paying the bill, but will receive a regular reminder to help facilitate payment. To sign up or learn more, please call us at (800) 655-4555 or visit [www.sce.com/friendlyreminder](http://www.sce.com/friendlyreminder).

## **Portable Generator Hook-up**

Wiring portable generators to an electrical supply is very dangerous and can cause serious injuries. The safe way is to plug a regular electric cord directly into the generator instead of wiring the generator to an electrical panel.

If your generator needs to be wired directly to the electricity supply, California state law requires that you notify SCE. Our qualified personnel are ready to assist you with information and installation of your generator. For more information, please call (800) 611-1911 or visit [www.sce.com/safety](http://www.sce.com/safety).

## Alzheimer's Memory Walk

Join SCE and the Alzheimer's Association Memory Walk® in the fight against Alzheimer's – a progressive brain disease that is a leading cause of death among adults.

Since 1989, Memory Walk has raised more than \$200 million to aide those affected by Alzheimer's. You can participate as an individual, a family or a team. We invite you to walk with our volunteers on the following dates:

October 28 – California State University, San Bernardino

November 3 – Camp June, Irvine

November 4 – California Plaza Water Court, Downtown Los Angeles  
and Gardens of the World, Thousand Oaks

For details please call (800) 272-3900 or visit [www.sce.com/memorywalk](http://www.sce.com/memorywalk).
