

# SCE EnergyManager® & Demand Response Tools New User Registration

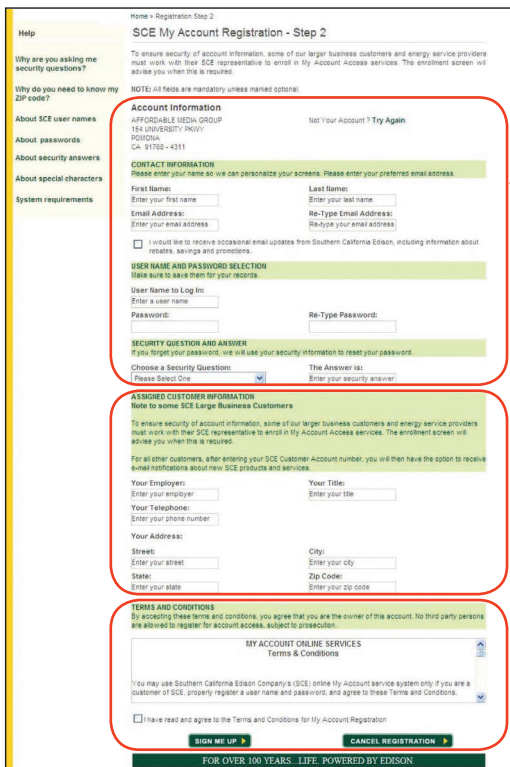

## New Users My Account Registration

**STEP 1** Go to **www.sce.com** and click on the **Register** link located at the bottom of the Log In box on the left.

**STEP 2** Enter your 10-digit **Customer Account Number** and **Zip Code**. Click **Find My Account**.

**STEP 3** Verify **Account Information** and complete **Contact Information** section.

Mid-market and large business customers are required to complete the **Assigned Customer Information** section.

Check the box that you have read and agree to the **Terms & Conditions**. Click **Sign Me Up**.

**Registration Confirmation** — An Enrollment Pending page will appear showing your login User Name. SCE will validate your registration request and you may receive a follow-up communication before your registration is completed.

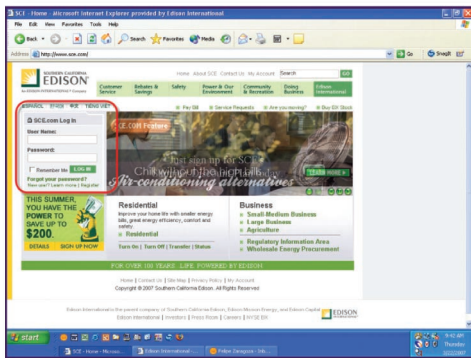

*Note: After registration is completed, you will be granted access to the SCE EnergyManager & Demand Response Tools link.*
